Designed to support local causes

We recognise the importance to you of supporting your local club, charity or association. By opening an account with Shepshed Building Society your chosen organisation receives extra income at the end of each year.

You nominate the organisation

We have affiliation arrangements with a number of local clubs, charities and associations. All you have to do is tell us which organisation you wish your account to be affiliated to, and we will do the rest.

Choose any account

You can open any of our share accounts and ask for it to be affiliated to your chosen organisation. You can also select an existing account for affiliation.

Interest paid

The interest you receive will not be reduced by affiliating your account. In addition to the interest that you receive your elected organisation will receive funds based on the aggregate balance across all of the affiliated accounts.

Confidentiality

We will not divulge your personal details, or details of your account or balance to the organisation or to any other third party. The group will only be told the amount that we will be paying to them based on all accounts affiliated.

To open an account

Simply complete the application form, fill in the address and take it to the branch or to the address overleaf together with the required identification documents.

Terms & Conditions

All accounts are subject to our Standard Terms and Conditions and Rules, available on request.
